Attention: bfmiloserdie@yandex.ru.

To Whom It May Concern,

Children's Wisconsin requests pre-payment for the medical treatment of Ruslan Ankudinov/DOB: 07-22-2017. This letter includes the payment terms for repair of the aortic valve and residual VSD closure surgery.

Ruslan developed severe aortic valve insufficiency, and he has a residual small outlet ventricular septal defect (VSD). He is recommended to undergo repair of the aortic valve and residual VSD closure surgery at Children's Wisconsin on October 19, 2021.

Based on current data, we calculate the following remuneration for the repair of the aortic valve and residual VSD closure surgery at Children's Wisconsin on October 19, 2021. Accommodations, translation services, care and food/catering are included in the services of Children's Wisconsin.

**Repair of the Aortic Valve and Residual VSD Closure Surgery Cost Estimate:**

This estimate considers costs accrued by Children's Wisconsin and the provider employed through the Medical College of Wisconsin. The prices below are at a discounted rate.

Pre-operative costs for Children's Wisconsin: \$2,196.00

Pre-operative costs for Medical College of Wisconsin: \$2,279.00

Includes clinic visit, admission to the hospital, pre-op clinic evaluation, x-ray, echocardiogram with 3D echocardiographic imaging of the aortic valve prior to intervention.

Surgery costs for Children's Wisconsin: \$103,173.00

Surgery costs for Medical College of Wisconsin: \$53,070.00

Includes repair of the aortic valve and residual VSD closure

Post-operative costs for Children's Wisconsin: \$1,609.00

Post-operative costs for Medical College of Wisconsin: \$549.00

Children's  
Wisconsin

Includes follow up with cardiologist approximately 1-2 weeks after discharge from Children's Wisconsin.

Total estimate: \$162,876.00

Please understand that this is a plan and not a guarantee. The estimated cost and treatment plan could vary based on the actual procedure administered based on the initial imaging done here and the outcome of the anticipated surgery. This estimate will expire on December 31, 2021.

### **Post-Surgery Details:**

It is estimated that Ruslan will be discharged from Children's Wisconsin inpatient hospital 7 to 10 days after his surgery. Upon discharge, he will stay at the Ronald McDonald House for 1-2 additional weeks. After the Ronald McDonald House stay, Ruslan will have a follow up cardiology appointment that will clear him to return home. The Children's Wisconsin inpatient hospital team will help guide the specific return home date prior to the follow up cardiology appointment.

We expect Ruslan to stay at the Ronald McDonald House during his entire recovery period from Children's Wisconsin discharge until he leaves to return home. Because the Ronald McDonald House cannot guaranty room availability until five days prior to admission, we encourage families to arrange for other/cancelable accommodations.

### **Payment Information:**

- The above mentioned fee of \$162,876.00, or amount your charity contributes, must be transferred to our bank accounts by September 30, 2021.
- Any incurred transfer fees must be met by the payer.
- The above mentioned is pre-estimated. The final cost could change based on the services and supplies provided. Children's Wisconsin and the Medical College of Wisconsin delivers detailed bills 14 to 21 days after services.
- As treatment can vary due to unforeseeable events, a subsequent additional payment can become necessary. If additional service/treatment is needed from Children's Wisconsin you may receive a separate cost estimate.
- As a matter of course, we would reimburse the remaining deposit, if the actual amount of the treatment is less than the pre-paid amount.
- Our financial policy requires full payment by September 30, 2021. Wire information:

**US Bank Account:** Children's Hospital of Wisconsin  
**Account Number:** 182380535902  
**Routing Number:** 075000022  
**SWIFT –code/BIC:** USBKUS44IMT  
**Reference:** RA – MRN2822220 – 07-22-2017

Children's Hospital of Wisconsin (facility-TX ID 390812532) and the Medical College of Wisconsin (professional-TX ID 390806261) will provide itemized bills and US claim forms for the services provided. The forms will be available 14-21 days after the patient leaves the hospital.
